

SHEFFIELD & DISTRICT FAMILY HISTORY SOCIETY

BECOME A MEMBER

Family History research has become very popular in recent years and many people are finding the search for their ancestral roots quite addictive. To help you with your research it can be useful to join a Family History Society. This can put you in touch with people of similar interests and give you the opportunity to talk over problems that you may be having with your research.

The Sheffield & District FHS area covers modern day Sheffield from Bradfield in the west to Tinsley in the east and from Stocksbridge in the north to Totley in the south.

Meetings are held in Sheffield on the third Monday of the month (except August and December). We meet at Cemetery Road Baptist Church (Napier Street entrance) at 7.30pm.

Our Journal The Flowing Stream is published quarterly.

Our Publications include: CDs of transcriptions of burials in Sheffield cemeteries and churchyards, transcriptions of some parish registers, some indexes of baptisms and marriages at Sheffield Cathedral, census records and memorial transcriptions. We also publish some booklets to assist your research.

We look forward to welcoming you as a member of the Society. All general enquiries about the Society should be addressed to the Secretary:
